

The Bosco Bugle

Alumni Newsletter

The *Bosco Bugle* is published annually to keep you informed of all activities and events at Bosco System Catholic Schools (specifically Don Bosco Catholic High School). This newsletter is mailed to every DB alum, current Bosco System families, and anyone associated with any of the six supporting parishes: Immaculate Conception - Gilbertville, St. Joseph's - Raymond, St. Athanasius - Jesup, St. Francis - Barclay, Sacred Heart – La Porte City, and St. Mary's of Mount Carmel – Eagle Center. These six parishes worked together to provide a central Catholic High School for our area in 1956. With that in mind, we feel it is our responsibility to keep you up to date on Catholic education in our area and what's going on at the Bosco System Catholic Schools. If you would like to be removed from this mailing list please let us know.

WE NEED YOUR INPUT - Tell us what you're doing, where you're at, who got married, who had babies, and about any awards and recognition you've received. Information in this newsletter is based on information received only, so please keep us up-to-date!

You may submit all news and information for the next issue by July 31st. Information received after that deadline may not be included in that issue.

To submit information about you or your family members, send your information to:

Don Bosco High School – Bosco Bugle Info
405 16th Avenue
P.O. Box 106
Gilbertville, IA 50634

or email your information to:

Kim (Brustkern) Rottinghaus ('83) before July 31st
