Don Bosco Post Prom - The Don Bosco High School Post Prom committee would like to thank the many businesses and individuals who helped support this year's post prom event. The students were taken to Planet X Fun Center on Saturday, April 26th for their post prom party and they had a great time! They played games and won prizes. We would like to take this opportunity to thank all the businesses who made a contribution to this event. Your donation made this event possible. The support of our community is outstanding. This type of event gives the kids a fun and safe option following their prom dance. We'd also like to thank the many volunteers who helped organize and set up for this event. Thanks to everyone for another great post prom at Don Bosco High School.
