This will be a link on the school's current website. Bobbie Schares and Kim Rottinghaus are working with Spinutech on this project. We reviewed a couple sample sites. There are very little costs to us (some set up charges for logos) for this website. We will make a profit on items sold. All items will be embroidered items to start with. We are working on selecting items and pricing at this time. Should be completed within a couple months.
 - b. State wrestling shirts – order forms available and will be distributed before state tournament.
 - c. Discussion on selling some mdse items in the concession stand.
4. Fundraising
 - a. VB Tournament – checks from teams have been sent in, teams have been confirmed, and there are a few spots open yet. Dawn and Shannon are working on concessions plans and still need help with managing the CF site and also need workers to volunteer to help out both days.
