Committee: Class of 1949

The first meeting of the Immaculate Conception High School Alumni Banquet was held on May 6, 1961, in the American Legion Hall at Gilbertville, Iowa, and it was planned by the class of 1949.

There were 58 graduates and their spouses present, one officer from each class sat at the head table along with Msgr. Cremer who led the opening prayer. Bill Frost acted as master of ceremonies. After the meal, each alumnus introduced their spouse and accounted for themselves since graduation. Letters were read from out-of-town alumni that could not attend.

### Statistics

From the 10 classes of I.C.H.S. there were 112 graduates with a total of 214 children to date. There are eight inter-class marriages and two nuns. Class of 1949 had the best percentage of attendance. The address of each graduate was traced down and received a letter about the banquet.

A short meeting followed. It was moved by Gerald Holbach that we make this an annual affair, each class taking their turn sponsoring the banquet, starting next year the class of 1947 and skipping the class of 1949  
Meeting adjourned and social hour followed.
