

Reunion August 12, 1995
Committee: Class of 1955

The ninth reunion of the ten graduated classes of Immaculate Conception High School was held on August 12, 1995 in Gilbertville, Iowa.

The evening began with a Mass at I.C. Church for the living and deceased members of I.C. High. The Mass was celebrated by Father Jim Secora and Deacons Leo Brustkern and Jim Freet. In spite of 100 degree temperatures the mass was well attended. The rest of the evening was enjoyed at the Legion Hall, with a total of 122 Alumni Attending. After the social hour, a delicious minute steak and ham dinner was served, much to our delight and surprise, by six waitresses posing as nuns. Acting as good sisters were Mary Schmitz, Joan Schmit, Sheri Becker, Jane Fischels, Carolyn Schmit and Linda Thome.

Master of Ceremonies for the evening was John Becker, who did an excellent job. John along with the Class of 1955 planned and hosted this event. Blue and white our school colors were the main color theme. Along with the floral centerpieces, that were given as doorprizes, beautiful programs designed by Gladys Bartlett also adorned the tables.

A short business meeting was held. The minutes were read and treasurers report given. Several letters from absentees were also read. It was decided our next reunion would be in five years with the class of 1956 hosting it.

The high light of the evening was Comedian Angie Flynn from Eagon, Minnesota entertaining us with her wit and humor. More visiting followed the program making for an enjoyable evening for everyone.
