Correspondence received from alumni not attending the reunion was read by Shirley Delagardelle. Early in the evening our MC, John, suggested that perhaps we would be doing a little trivia from days gone by ... and we did! Trivia included, knowing your class motto, alumni wearing their class rings, and pages from the past. Minutes from the June 27, 1970, reunion was selected as pages from the past, and were read by Colletta Rottinghaus.

"Congratulations" were extended to the class of 1953 who were honored as 50 year graduates.

New business included discussion regarding the next reunion. The class of 1950 volunteered to plan and make preparations the next reunion

There was also discussion regarding old records. Paul Lutgen moved that any financial records, information and correspondence older than seven years be purged. Second by Colletta Rottinghaus.

Before the meeting and class contributions came to a close, "thanks" were extended to the classmates who traveled distance to attend the reunion; Jim Knipp from Kent, WA, Norma Jean Gales/Gavotto, San Diego, CA, and Stanley Pint, Phoenix, AZ.
